Sir:

11 JAN 2005

Enclosed is a Certificate of Correction submitted under the provisions of 35 U.S.C. §254, to correct errors of the Patent and Trademark Office in the printing of the above-identified U.S. Patent.

In addition to the errors of the Patent and Trademark Office, a review of the patent has revealed the presence of errors attributable to applicants/patentees, which however are of a minor and self-evident character, as listed below:

Column 1, Line 49 delete "progress" and insert in place thereof -- process--;

Column 6, Line 58 delete "Exmaple" and insert in place thereof -- "Example"--;

Column 7, Line 13 delete "accumultation" and insert in place thereof -- "accumulation"--;

Column 7, Line 17 delete "menbrame" and insert in place thereof -- "membrane"--

While these errors are not of a serious enough nature to warrant a Certificate of Correction, the patentee nevertheless wishes to bring same to the attention of the Patent and Trademark Office, so that same is made of record in the file of this patent.

Respectfully submitted,
